

# School Uniform Guidelines

## 2022-2023

Students at Bay City Academy wear uniforms daily. The focus at BCA is on learning; our ultimate guide for clothing/appearance is to be sure it does not distract from learning. We are preparing students for professional careers and professional appearance is important. We have chosen uniforms because they help to improve the safety, discipline, and security of the school. Uniforms also help develop a sense of unity between the students and staff, eliminating judgment based on brand name clothing.
